

Team Withdrawal

Updated: 1/5/2019

WRSA recognizes the commitment of a team to play in the league based on the online completion of Team Application and Schedule Conflict forms. League decisions to form divisions are made based on these team commitments.

Therefore, withdrawal after a team application is completed requires the head coach, manager or team/club contact to notify WRSA office at wrsaoffice@strykersportscomplex.com in writing that the team will not play in the league. Phone calls to the WRSA office staff will not be recognized as notification.

Start of scheduling process is defined within 24 hours after final divisions have been posted on the Stryker website.

Penalties may apply based on timing of the team withdrawal and written notification.

- KSYSA player and coach fees paid to WRSA will be refunded in full.
- If a team withdraws prior to the start of the scheduling process with proper written notification, there is no penalty.
- If a team withdraws after the scheduling process starts even if written notification is received by WRSA, the team will incur a penalty of twenty-five percent (25%) of the team registration fee AND ALL financial hardships of rescheduling the division(s) impacted.
- Seventy-five percent (75%) of the registration fee will be nonrefundable for team withdrawals at the start of the league season. The start of league season is defined as 12:01am of the first day of games.
