Updated: 6/29/2022

Standings:

WRSA monitors all scores and standings on-line through Got Soccer for competitive teams. A manual review is completed by WRSA prior to announcement of final division winners. Division winners are announced the week following the final league games. Friendlies and rescheduled games played after the final division winner announcement scores will be recorded but not counted in the final standings.

Competitive teams, ages U9-U19, scores are recorded on the Stryker website – Outdoor/Indoor Leagues page for the specific season by division.

Recreational teams, ages U5-U8, do not have scores recorded online or standings posted allowing the focus to be on learning and player growth.

1. The team with the highest number of team points wins the division. Points are tallied as follows:
 - a. 3 points – each win
 - b. 1 point – each tie
 - c. 0 points – each loss
 - d. In the spirit of sportsmanship, a 10-point differential is recorded in games throughout the season. Actual score is recorded on the game card but not in the online scoring.
 - e. **A team who forfeits a regularly scheduled league game is not eligible for first place unless the game is rescheduled by WRSA or played as a friendly.**
2. Penalty points as assessed for each red and yellow card issued to a player and/or team official during the regular season. Penalty points are deducted from the total team points as they occur.
 - a. 5 points deducted for each red card
 - b. 2 points deducted for each yellow card
 - c. Once 10 penalty points are accumulated, a deduction of (-3) points is taken from team's final points. This accumulation continues as each 10-penalty point level is reached.
 - d. Example 1: team with 1 red card (1x5) and 3 yellow cards (3x2) = 11 penalty points or -3 from final team points. Example 2: team has 4 red cards (4x5) and 6 yellow cards (6x2) = 32 penalty points or -9 from final team points. Example 3: team has 1 red card (1x5) and 2 yellow cards (2x2) = 9 penalty points won't have any deduction since less than 10 points.
3. Players or team officials, who individually accumulate penalty points, receive additional penalties and/or suspensions.
 - a. Once a player and/or team official receives 4 yellow cards within the same season, that player and/or team official will receive 1 administrative red card to be served at the next USYSA sanctioned game. The player's and/or team official's coach will be notified when the player has received three yellow cards.
 - b. Once a player and/or team official receives 2 red cards within the same seasonal year, that player and/or team official will be suspended and banned from Stryker Sports Complex for the remaining seasonal year.
